

Achieving a Better Life Experience: ABLE Program Overview & Updates

**ABLE accounts
build self-reliance,
encourage
education and
employment, and
improve the overall
quality of life of
individuals living
with disabilities.**

How ABLE Began

ABLE Benefit Impact

ABLE Does Not Impact Other Benefits

Kansans living with a disability can save without losing access to important benefits.

The ABLE Adjustment Act

The ABLE Adjustment Act was introduced in 2019 and if passed, would give 6 million more Americans access to the benefits of this program.

The Numbers

**As of September 7th, 2021,
the average Kansas ABLE
account value is \$8,620.95.**
