

LIFE WHEEL

What are your Core Values?

Your core values are your beliefs and qualities that are so important to you that you shape your life or organization around them. These are the deepest, most powerful and centering forces for an individual or organization. They drive our actions and decisions. When we live according to our core values, we are happier, healthier, and more satisfied in all areas of life. Our core values are made up of 3-6 critically important values. Using the list below, please identify what you believe are the 3-6 values that make up your core.
