SUPPORT A BETTER FUTURE FOR KANSANS WITH IDD

The InterHab Champion Fund provides an exciting way for Kansans who care passionately about IDD issues to express their support of elected officials who share this important focus. The group is led by a dedicated committee of InterHab members who lead the charge in working with Kansas Legislators to make the state the best place possible for Kansans with intellectual and developmental disabilities (IDD).

What is a PAC? A political action committee is a political committee organized for the purpose of raising and contributing money to influence elections. The InterHab Champion Fund raises money specifically for Kansas Legislators who take action to improve IDD services in Kansas.

What can I do to help? You can make a donation at www.interhab.org/contribute, join the PAC committee by emailing mfletcher@interhab.org, and continuing to do advocacy work in your local community.
