

# InterHab Legislative Champions

The InterHab Champion Fund provides a way for Kansans who care passionately about IDD issues to express their support of elected officials who share this important focus. The group is led by a dedicated committee of InterHab members who lead the charge in working with Kansas Legislators to make the state the best place possible for Kansans with IDD.

## InterHab Champion Fund Legislative Achievements:

2022

In 2022, the IDD system secured a 25% IDD Waiver Rate Increase.

2023

In 2023, the Targeted Case Management reimbursement rate was increased by 70%.

2024

In 2024, 500 waitlist slots were funded, a substantial increase in funding was provided for Supported Employment, and discretionary state funds were added for CDDO administration.

2025

In 2025, 200 waitlist slots were funded, and a 1.67% IDD Waiver Rate Increase was funded.
