Communication

Opportunities to share information in the weekly InterHab newsletter, the InterHabOGRAM

Inclusion in Advocacy and Action Alert emails

For more than 50 years, InterHab has been a leading advocate for the critical role service providers play in enriching the lives of people with intellectual and developmental disabilities.

Membership means opportunity - the opportunity to shape the form and direction of developmental disability policy in Kansas. The opportunity to collaborate and learn with other disability support professionals across the state. And, the ability to ensure stability for Kansans with IDD across the state.
